

BUILDING CARING COMMUNITIES

Welcome

This is an opportunity to let you know that CRBBT has launched a new initiative to keep its volunteers, sponsors and community members updated on various news and events. For refugees, a similar publication has already been launched. On August 19th, 2023, we celebrated diversity, inclusiveness, and shared stories. It was a fantastic opportunity to network and get to know one another. This event drew a big number of Canadians and newcomers.

PARTNERSHIP WITH MCC CHURCH TORONTO

The Metropolitan Community Church of Toronto is a congregation of the worldwide Metropolitan Community Church movement located in Toronto, Ontario, Canada and is a welcoming congregation openly affirming lesbian, gay, bisexual, heterosexual and transgender people.

COMMUNITY ENGAGEMENT

The CRBBT media team is regularly interacting with the local community, legislators, and senators to spread awareness of the initiative. Senator Salma and MP Salma Zahid were most recently approached by CRBBT to discuss the project.

ARIST AN ONLINE LEARNING PLATFORM

Arist is a beautiful platform that lets anyone teach, train, and shift behavior in minutes, not months.

Arist is a text message learning platform. They work with large companies, schools, and nonprofits to create and deploy text message courses.

CRBBT is thrilled to announce a partnership with ARIST and developing a course on Canadians and Refugees Bulding Bridges Together. Stay tuned for more updates.
